*Psalm 139:24 "...And see if there be any wicked way in me, and lead me in the way everlasting."*

1. Dear Sa-viour, take my hand in Thine, And lead me ev - 'ry day,  
2. O Sa-viour, take my hand in Thine, 'Tis oft a wea - ry way;  
3. O Sa-viour, take my hand in Thine, Thou on - ly know'st the way!

That I may nev - er take a step But in the nar-row way:  
And I have nev - er found my-self Suf - fi - cient for the day:  
And Thou canst lead me in the path That ends in per-fect day:

I can-not on my - self re - ly, I can-not walk a - lone;  
Up - on Thy help I must re - ly My jour-ney to pur - sue;  
Thy gen-tle hand will safe-ly guide My pil-grim-feet a - bove,

O Sa-viour, take my hand in Thine, And lead me as Thine own!  
O Sa-viour, take my hand in Thine, And dai - ly strength re - new!  
And thro' the ev - er - last-ing years I'll sing Thy won-drous love.
