1. Safe in the har - bor, the wea - ry find rest,
2. Safe in the har - bor, the har - bor of peace,
3. Safe in the har - bor, the har - bor of love,
4. O glo - rious thought! We shall meet on that strand,

Free from their la - bors and cares that dis - tress;
Safe from the storms that for - ev - er in - crease,
Safe from all storms in that Hav - en a - bove,
Safe on the shores of that fair E - den land!

Wounds find a heal - ing, all tears wiped a - way,
Sor - rows and tri - als and heart - aches are o'er.
Life ev - er - last - ing where joys nev - er cease,
Sor - rows and tri - als and heart - aches are o'er,

rit.
Safe in the sun - light of Heav'n's glo - rious day!
Safe in the har - bor of life ev - er - more!
Safe in the har - bor, the har - bor of peace!
Safe in the har - bor of life ev - er - more!
